

- 1) Full name: **Karthik Dhandapani**
- 2) PhD institution and year: **VIT University, Vellore and 2017 (Expected)**
- 3) Date of joining IISc: **18 January 2017**
- 4) Area(s) of research: **Phase transformation; texture; laser peening**
- 5) Name of the post-doctoral fellowship (if applicable): **SERB National Postdoc Fellowship**
- 6) Laboratories where currently working:
 - **Size Effect Studies and Electron Microscopy Laboratory**
 - **Laboratory for Texture and Related Studies**
- 7) Department: **Materials Engineering**
- 8) Email address and telephone number (not mandatory):
dkarthik@platinum.materials.iisc.ernet.in, Ph: +91-80 2293 2834
- 9) Topic(s) of research: **Phase transformation and textures in laser peened steels**
- 10) Research publications in IISc: **Nil**
- 11) Other accomplishments and recognition while in IISc: ---
- 12) Attach a jpeg image of your recent photo: **Attached**
- 13) What information will be useful to post-docs if it is available on the post-doc page on the IISc website? List the items. If you provide that information, it will be greatly appreciated.
 - **List of laboratories, instruments, Professors with research expertise**
- 14) A tweet about your post-doctoral experience in IISc (limit it to 140 characters).
Just started my postdoc here, a good place for research in the country
