Students Administration Interaction Meetings (SAIM)

Students can bring academic issues to the notice of the administration during the meetings with Chairs of the Departments (CoD). For discussing administrative issues other than academic matters, a Student Administration Interaction Meeting (SAIM) will be held once in a quarter. The Students’ Council will represent the students in these meetings.

Sexual Harassment Prevention and Prohibition Policy

Pursuant to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, Sexual Harassment of Women at Workplace Rules, 2013, and UGC Regulations on Sexual Harassment Prevention and Prohibition, the Institute has come out with its own policy on Sexual Harassment Prevention and Prohibition. This policy may be accessed at http://www.iisc.ac.in/policies.

New Medical Officer at the Health Centre

Dr. Neethi Ravindran has been appointed as Medical Officer in the Health Centre with effect from 17th May, 2017. She was Assistant Surgeon for over 3 years in the Department of Health Service, Government of Kerala, before her appointment in the Institute. With her appointment, the Health Centre has 5 regular doctors, apart from consultants in the following specialities: Gynaecology, ENT, Dentistry, Dermatology, Psychiatry, Ophthalmology and Radiology.

Summer Fellowship Programme for SC/ST students

The Summer Fellowship Programme in Science and Engineering for SC/ST students was conducted between June 12 and July 11, 2017. 53 students from all over the country participated in the programme. The students were assigned to several faculty members in science and engineering.

Re-organisation of administrative responsibilities

For better administrative efficiency, the Institute administration has been re-organised as follows:

Units under the Registrar: Council Section, Establishment and Evaluation Section, Students and Guest Housing, Centre for Sponsored Schemes and Projects, Security and Fire Fighting, Official Language Unit, Office of Legal Affairs and Office of Public Relations.

Units under the Joint Registrar: Academic section including Undergraduate studies, Purchase & Stores and CCMD.

In CCMD, the JR will be in charge of the maintenance and service cell, campus upkeep & maintenance, water management, campus services unit and garden and nursery, while the planning and execution of building projects and planning, execution and maintenance of electrical and water grid will be managed by the Project Engineer and Estate Officer.
