

**Tender Notification for the procurement of a “High Speed Centrifuge” at the Indian Institute of Science, Bangalore
(Last Date for submission of tenders: Apr 7th, 2016)**

Ref: MRDG/FIST/Equipment/15-16

Dear Sir/ Madam,

Kindly send your best price quotation for the following items with specifications under mentioned as CIP Bangalore basis to the undersigned. Your quotation should clearly indicate the terms and conditions of the quotations, delivery, delivery schedule, entry tax, payment terms, warranty coverage etc. The tender should be submitted in two separate sealed envelopes – one containing the technical bid and other containing the commercial bid, both of which should reach the undersigned, duly signed on or before 1700 hours 07th April 2016. The technical bid must include details of technical specifications of the equipment along with commercial terms and conditions; however, the price components should NOT be shown.

The commercial bid must include the price of the item indicating the breakup of the following:

- (i) The price of the goods quoted on FA (named place of delivery abroad) or FOB (names port of shipment).
- (ii) The charges for insurance and transportation of the goods by Air upto Bangalore.
- (iii) The agency commission charges, if any.
- (iv) The installation, commissioning and training charges including any incidental services, if any.

Please enclose a compliance certificate along with technical bid.

Detailed specifications:

1. High speed centrifuge capable of handling maximum RCF of 1,00,000 xg
2. Speed adjustment and accuracy of ± 100 rpm
3. Capable of handling volumes ranging from 0.5 ml to 3 liters with appropriate rotors
4. Sample temperature management (rotor temperature) ranging from 0 – 40°C
5. Operational temperature range (room temperature) between 15 - 40°C
6. Capable of running samples upto 48 hours adjustable in increments of 0.5 min
7. Digital control panel
8. Brushless motor; air cooled system

9. Suitable UPS and
10. Complete system warranty for 5 years

The above mentioned technical specifications are highly desirable. However, lower technical specifications may be considered if the above mentioned specifications are found to be unsuitable in financial terms. The Institute reserves the right to go for lower specifications taking into considerations its financial constraints and technical preferences.

Terms and Conditions:

- The Vendor should have a good track record of having previously supplied similar equipment in India (please furnish details)
- The vendor should have qualified technical service personnel for the equipment based in Bangalore
- The payment will be through a Letter of Credit.
- The lead time for the delivery of the equipment should not be more than 3 months from the date of receipt of purchase order or 2 months from the date of receipt of Letter of Credit details (whichever is earlier)
- The validity period of the quotation should be 90 days
- Kindly indicate the import code of the items.
- If the goods are found to be defective, they have to be replaced or rectified at the cost of the supplier within 15 days from the date of receipt of written communication from us. If there is any delay in replacement or rectification, the warranty period should be correspondingly extended.
- The purchaser reserves the right to accept or reject any bid and to annul the bidding process and reject all bids at any time period to award of contract without thereby incurring any liability of the affected bidder or bidders.

Yours Sincerely,

Deepak K Saini
