A meeting is being organized by the Department of Biochemistry, Indian Institute of Science (IISc) entitled "Perspectives in malaria research and growth of biotechnology in India" on 23 and 24, March, 2018.

The broad organization of the one and half day meeting will be as follows: on 23rd March, the focus will be on malaria research followed by a talk in the evening by Prof. G. Padmanaban. On 24th March, 2018, a series of talks by leaders in the biotechnology industry is planned which will be followed by the felicitation of Prof. G. Padmanaban from 12-1 pm.

We welcome all students, researchers and faculty to this prestigious event and make it a success

For further details, please contact the Office,
Department of Biochemistry, IISc, Bangalore-560012. Email: office.bc@iisc.ac.in

ALL ARE WELCOME TO ATTEND THE TALKS IN THIS MEETING
