## 1 Introduction

1. Indian Institute of Science (IISc) invites bids for:
  - a. Collection and disposal of battery waste from IISc campus, Bangalore.
  - b. The tender is for the pick-up and disposal of battery waste for 3 years from December 2023. Battery waste must be picked up around 2 trips in a year.
2. In this tender document, IISc means Indian Institute of Science, Bangalore.
3. In this tender document, terms like firm company, bidder, vendor, etc. are used interchangeably for the bidders.
4. In this tender, battery waste means Used Battery and/or End-of-life Battery.
5. IISc has the right to modify the date and time of an event or issue any corrigendum/addendum of this tender.
6. The decision of the Chair Safety Committee will be final.
7. For any amendments or corrigendum or addendum, the prospective bidders should keep watching the IISc website only, wherein all the information in this regard will be notified.

Opening of Financial Bids	<b>08<sup>th</sup> December 2023</b>

## 3 Scope of Work

This tender encompasses the following services:

1. The Pick-up and disposal of battery waste from IISc, campus for three years from the date mentioned in the MOU agreement, which will be signed by both the parties.
2. Two times a year, the collection and disposal of battery waste from the departments will be executed.
3. **The rates per pick-up must be included in the financial bid. For this, kindly see the Annexure-C.**

The categories for battery waste to be disposed are as follows:

Sl. No.	Type of Batteries	Rates Per Pick-up
1.	Lead Acid Battery (Sealed and Unsealed)	
2	Lithium ion (all types)	

4. Any other information regarding these battery waste can be obtained by requesting to [krakshith@iisc.ac.in](mailto:krakshith@iisc.ac.in).

### 3.1 Duties & Responsibilities of Vendors

1. The collection of battery waste from IISc campus, Bangalore, and its safe disposal.
2. Vendors will be responsible if leakage and damage occur during the collection.
3. Battery waste should be collected by the vendor or their representative with proper supervision and skill.
4. Vendors shall ensure that in case of accident on road, the waste should not be misused; the entire quantity shall be transferred to another vehicle and transported to their site safely at the cost of the vendor.

5. The vendor will deposit to IISc an amount of INR 50,000 as a security deposit through DD Cheque.
6. Form and Manifest copy should be provided during the time of collection of battery waste by the vendor.
7. Vendors need to obtain all additional licenses, permits, consents, sanctions etc. as may be required or called for from/by local or any other authority for undertaking such work or in furtherance to this agreement.

### 3.2 Submission of Bid

The bids must be submitted in two cover bid systems i.e., one in Envelope No. 1 and the other Envelope No. 2.

#### 4.1 ENVELOPE No.1

Envelope No. 1 is for the Technical Bid, shall be super-scribed as **“TECHNICAL BID – OFFER LETTER FOR THE COLLECTION OF BATTERY WASTE FROM IISc BANGALORE-560012”**. It shall contain the following information as per the Performa **“MANDATORY TECHNICAL REQUIREMENTS”** along with the copies of the required/supporting documents as per the **Annexure – A & B.**

#### 4.2 ENVELOPE No.2

Envelope No. 2 is for the Financial Bid, shall be super-scribed as **“FINANCIAL BID – OFFER LETTER FOR THE DISPOSAL OF OLD AND OBSOLETE BATTERIES FROM IISc BANGALORE-560012”**. It shall contain the rates of pick-up for the disposal of old and obsolete batteries from IISc Bangalore-560012 as per **the Annexure – C** given in the tender document. Submission of the Financial Bid in any other format will not be accepted and the Bid will be rejected.

## 5 Evaluation of Bid

Bids will be evaluated based on compliance of eligibility, technical specifications, and other terms & conditions stipulated in the tender document. Note that Incomplete submissions shall be disqualified and not be entertained.

### 5.1 Technical Evaluation

The technical bids will be evaluated first. The technical bids shall be scrutinized and evaluated by the IISc based on the eligibility criteria and qualifications as per the details along with the documents provided by the bidder in their technical bid. IISc may ask for additional clarification/ details/ documents/ technical presentations/ etc. For this purpose, any date fixed by the IISc will be final and binding.

### 5.2 Financial evaluation

The Financial Bids (Price Bid) of only those bidders will be opened, who will be declared as technically qualified. In this regard, the decision of the IISc safety committee chair will be final and binding.

### 5.3 Award of tender to the Vendor:

The highest payer will get the tender after evaluation of technical and financial bid of the tender.

## 6 Vendor Qualifications/ Eligibility Criteria

1. A vendor should have been in the business for a minimum period of **03** years.
2. The vendor must have regulatory approval for disposal and recycling of used batteries. The documentation to support this must be provided.
3. A list of prior customers must be provided as reference. Please add contact information so the IISc can contact the reference directly.
4. Vendor must be a Class 1 or Class 2 supplier, as defined by the GFR 2017.

## 7 Others

### 7.1 Other Terms

1. The Bidder should belong to either Class-1 or Class-2 suppliers distinguished by their “local content” as defined by recent edits to GFR. They should mention clearly which class they belong to in the cover letter. a) Class-1 supplier: Goods and services should have local content of equal to or more than 50%. b) Class-2 supplier: Goods and services should have local content of equal to or more than 20 % and less than 50%.
2. Quote should come only from Indian Original Equipment Manufacturer (OEM) or their Indian authorized distributor.
3. The quotations should be on FOR-IISc Bangalore basis in INR only.
4. Bidders offering imported products will fall under the category of non-local suppliers. They cannot claim themselves as Class-1 local suppliers/Class-2 local suppliers by claiming the services such as transportation, insurance, installation, commissioning, training, and other sales service support like AMC/CMC, etc., as local value addition.
5. Purchase preference as defined by the recent edits to GFR (within the “margin of purchase preference”) will be given to the Class-1 supplier.
6. MSMEs can seek an exemption to some qualification criteria. IISc follows GFR2017 for such details.

### 7.2 Rejection of Bids

1. IISc reserved the right to reject a tender under any of the following circumstances if the required information or documents are incomplete.
2. IISc reserves the right to abandon the tender process and reject all the bids at any time prior to the contract award, without incurring liability.

### 7.3 Award and MoU (Memorandum of Agreement)

1. IISc will communicate to successful bidder(s) through email. The selected bidder(s) must respond to the email within three days.
2. The successful bidder(s) must sign a MoU with IISc. The tender documents must identify the legal representative who will negotiate with IISc legal cell for the MoU.

### 7.4 Payment Terms

1. IISc will not bear any cost of pick up either for transportation or for labor.
2. The vendor will pay the money to IISc in the designated bank account number. Bank account numbers will be shared at the time of MOU.

### 7.5 Cancellation of Contract:

The IISc reserves the right to cancel the rate of contract with the selected bidder(s) at any time during the contract period, by giving a written notice of at least one (01) Month, for any valid reasons.

### 7.6 Dispute Resolution

1. IISc and the vendor shall make every effort to resolve amicably, by direct informal negotiation between the respective Safety officer / Safety committee Chair of IISc and the vendor, any disagreement or dispute arising between them under or in connection with the contract.
2. Judgment upon the award may be entered by any court having jurisdiction there of or having jurisdiction over the relevant Party or its assets.

### 7.7 Governing Laws

This RFQ and the subsequent contract shall be governed and construed and enforced in accordance with the laws of India. Both Parties shall agree that in respect of any dispute arising upon, over or in respect of any of the terms of this Agreement, only the courts in Bangalore shall have exclusive jurisdiction to try and adjudicate such disputes to the exclusion of all other courts.

## 8 Annexures

### Annexure A: Offer Letter of Technical Bid

Annexure – A  
ENVELOPE – 1

To,  
The Chairman, Safety Committee,  
Office of Laboratory Safety & Environmental Health (OLSEH),
