

Leela Raghava Jaidev Chakka

PhD Institution and Year : SASTRA University; 2015

Date of Joining IISc : 01-10-2015

Area(s) of Research : Tissue Engineering

Name of the Post-doctoral Fellowship : Not applicable

Laboratory where currently working : Biomaterials and Tissue engineering Lab, Department of Materials Engineering

Department : Materials Engineering

Email address and Telephone number : -

Topic(s) of Research : Bone tissue engineering

Research Publications in IISc : under review

Other accomplishments and recognition while in IISc :

Got **Stem Cell Network, Canada award** for presenting poster in Till & Mc Culloch meetings.
Received Travel grant award from SERB, India for attending Till & Mc Culloch Meetings, Canada.

What information will be useful to post-docs if it is available on the post-doc page on the IISc Website ? List the items.

- The new post-docs can contact the existing post-doc and maintain contacts.
- The researchers world wide can view the profile directly and contact the person.

A tweet about your post-doctoral experience in IISc :

I am fortunate to do Post-doc in IISc which provide me the opportunity to do some top-notch work under some of the eminent and efficient researchers of India.
