

Dr. Koushik Dev

PhD Institution and Year : 2016 ; Indian Association for the Cultivation of Science. (Kolkata)

Date of Joining IISc : 29 april 2016

Area(s) of Research : - Strongly Correlated Electron Systems.

- Magnetic and electronic orderings, phase transitions, and its relation to structural dynamics (X-ray-, neutron-, and electron-diffraction studies).
- Magnetism (low-dimensional, frustrated system).
- Thin film and Interfacial phenomena in oxides hetero structures.
- Multiferroic.

Name of the Post-doctoral Fellowship :

Laboratory where currently working : : SSCU ,IISc (MRC building)

Department : : SSCU

Email address and Telephone number : koushikdev.iitkgp@gmail.com

Topic(s) of Research : Strongly Correlated Electron Systems.

Research Publications in IISc :

Other accomplishments and recognition while in IISc :

What information will be useful to post-docs if it is available on the post-doc page on the IISc Website ? List the items.

A tweet about your post-doctoral experience in IISc :
