

## Vishnu, Arkamitra

**PhD Institution and Year :** University of Calcutta, 2013

**Date of Joining IISc :** 2016

**Area(s) of Research :** Fungal Ecology, Molecular Evolution, Palaeo-climatology.

**Name of the Post-doctoral Fellowship :** SERB NPDF

**Laboratory where currently working :** Prof. Renee M Borges lab

**Department :** Centre for ecological sciences

**Email address and Telephone number :** [arkamitra@ces.iisc.ernet.in](mailto:arkamitra@ces.iisc.ernet.in)

**Topic(s) of Research :** 2015-ongoing: Investigating the ecology of the ant-plant *Humboldtia brunonis* (Fabaceae) in relation to its domatia-inhabiting fungi.  
2008-2013: Fossil epiphyllous fungi from the Siwalik sediments of Eastern Himalaya and their palaeoecological and stratigraphical significance.

**Research Publications in IISc :** NA

**Other accomplishments and recognition while in IISc :** NA

**What information will be useful to post-docs if it is available on the post-doc page on the IISc Website ? List the items.**

1. A updated contact list of postdocs
2. Updates about job and other fellowship options
3. The list of facilities the postdocs are entitled to avail in IISc
4. A discussion forum
5. A provision for get together or group activities.

**A tweet about your post-doctoral experience in IISc :** I think
