27 October, 2017

Sub: Application for Psychologist IISc

The Indian Institute of Science, a premier centrally funded autonomous Institution for higher education and research in the field of science & engineering, has completed a century of major contributions to the nation. IISc has setup a counseling centre to provide mental health care, including counseling to the IISc community consisting of students, faculty and staff. With this intention IISc is seeking applications for the following posts, on contract, at the Counseling Cell under the Health Centre of the Institute.

| Sl No. | Name of the post | No of Vacancies | Qualification and Experience |
|--------|------------------|-----------------|--|
| 1 | Psychologist | Two | Postgraduate degree in psychology including clinical psychology with 3 years of experience in counseling and support Experience in handling adolescent cases is desirable |

The period of appointment is for 3 years subject to satisfactory performance to be reviewed on annual basis. It may be noted that the appointment is purely temporary and the candidate shall not carry any right to seek regular employment after completion of term.

The monthly emoluments for the post of psychologist will be fixed Rs.35000/- p.m. (consolidated). However, emoluments are negotiable in deserving cases.

The job requirements of the psychologists will be as follows:

1. Work with student communities, staff and their dependents to improve mental health issues
2. Help students define goals, plan, action and gain insight

Any candidate interested to apply may send his/her CV through e-mail to recruit.iisc@gmail.com. Closing date for receipt of applications: 30th November 2017.
