

## INDIAN INSTITUTE OF SCIENCE, BANGALORE ADVERTISEMENT

Indian Institute of Science (IISc), a leading institution for research and training in science and engineering, generates intellectual property, files and maintains patents and transfers technology to industries. For further details, please visit the web site at [iptel.iisc.ac.in](http://iptel.iisc.ac.in)

In this context, IISc invites applications for the position of Technology Manager at its Intellectual Property and Technology Licensing office.

The above position is **contractual** and candidates will be hired on a renewable (depending on satisfactory performance) annual contract, with a fixed salary based on experience, for a maximum duration of 5 years. The base salary of **the manager** will be fixed in the range of **Rs. 70, 000 to 1, 50,000 per month (consolidated)**. **An annual review by the IPTeL standing committee will fix increments between 5 and 10 %. In addition, the manager will be paid 1 % of net license revenue negotiated post joining and earned in a particular year, subject to a maximum of 30% of the yearly salary.**

### Job Description:

The manager's responsibilities will include the following:

- Evaluate patentability of disclosures submitted to IPTeL in conjunction with chair IP
- Oversee IP management and the IPTeL office management.
- Mine IP within IISc and market IISc IP to industries through suitable platforms
- Identify licensing opportunities and negotiate licensing agreements with industry
- Submit proposals to GOI on IISc's behalf to fund bridging of the TRL gap between current IP and industry needs.

### Eligibility:

It is preferred that the candidate should at least have a

- bachelor's degree in engineering or basic sciences and
- 3 years of experience in IP and technology transfer management in industry, academia or government institutions.

### Desirable:

- Post graduate degree in management sciences and
- a track record in licensing academic IP to industry.

**Age:** Candidate should not have crossed 50 years as on 01.08.2018. This can also be relaxed at the discretion of the Institute for the deserving candidates with higher experience and merit.

**Mode of Selection:**

The selection of the candidates will be on the basis of their CV and performance in an interview conducted at the Indian Institute of Science, Bangalore. Soft copy of application in the given format along with latest CV should be sent by **electronic mail** to [recruitment.council@iisc.ac.in](mailto:recruitment.council@iisc.ac.in) with a copy to [chair.iptel@iisc.ac.in](mailto:chair.iptel@iisc.ac.in).

In the e-mail subject line, please include the phrase, " **Application for the post of Technology Manager-IP**". Kindly **do not** send hard copies of your application.

However, the candidates called for Interview should come along with the signed hard copy of the application with all relevant enclosures. For international candidates, an on-line interview could be requested in the cover letter. In such cases a hard copy of relevant enclosures will have to be mailed prior to the date of the interview.

The last date for receiving the applications is 31<sup>th</sup> August, 2018

Short –listed candidates will be called for an interview in the month of September – 2018.
