

29th October, 2021

Important Announcement for Prospective Students admitted in Four-Year Bachelor of Science (Research) Program in the Academic Year 2021-22

- Prospective students are required to physically report to the Institute on **11 November 2021**, at hostel office.
- The classes for first term will be conducted through offline mode from **15 November 2021**.
- All the prospective students are expected to be doubly vaccinated, except in cases of students under the age of 18.
- Prospective students who have completed only the first dose of vaccine and are due for the second dose in the future should produce negative RT-PCR report taken less than 72 hours prior to arrival.
- In case the vaccination has not been taken due to being affected with Covid then the certificate of Covid infection with date should be produced.
- In any case of students without two doses of vaccination, it is mandatory to have a negative RT-PCR report taken less than 72 hours prior to arrival.
- No quarantine requirements exist except in cases of arrivals from Kerala where it is required even if vaccinated with both doses.
