

Paraspar, an initiative of the Office of Communications (OoC) at the Indian Institute of Science (IISc), is a platform for conversations about knowledge systems, particularly science.

PARASPAR

invites you to a webinar series on

SUTRADHAR

Very often our personal and professional lives do not take the shape we expect. In this series, the speakers share stories of how they dealt with these ups and downs, and take us through their journeys into academia, and beyond.

Speaker:

Shubashree Desikan

Science Communicator

Senior Assistant Editor, The Hindu

Date:

28 March 2022

(Monday)

Time:

4.00 pm

The Light Beyond the Bend

The talk will describe why and how I made a transition from scientific research to science communication. I will talk about my key influences and the support I received as I made this career change. I will also discuss the challenges I faced and the rewards that have come my way during my 12 years (and counting) as a science journalist.
