OR
- Two years of experience in the safe handling of biological agents or radioactive materials in the industry/ academia / regulatory body / laboratory.
OR
- Two years of experience in occupational and fire safety in industry/ academia / regulatory body / laboratory.

4. Job Description

EHS Officers will be part of the core safety management team at the institute which will be headed by the Institute's Safety committee. Primary responsibilities include:

- Develop guidelines and procedures for the disposal of laboratory waste and waste treatment.
- Develop, document, and implement various EHS protocols at the institute.
- Organize periodic training and enable stakeholders to understand the principles and applications of EHS issues.
- Carry out EHS audits to assess the conformity of various laboratories within the institute.
- Suggest corrective actions if any after the inspection, follow up and help the laboratories in implementing the suggested corrective actions.
- Assist in the management of a centralized safety portal (website) for the entire institute which would serve as a repository for safety education, training, and documentation.

- (g) Develop guidelines for emergency preparedness and streamline emergency response.
- (h) Provide periodic presentations and submit reports with statistics about the status of safety infrastructure, safety practices, and their effectiveness at the institute to the Institute's safety committee.
- (i) Liaison with concerned authorities for ensuring complete compliance with governmental regulations with regard to safety in the workplace and protection of the environment through the prevention of environmental pollution.
- (j) Other responsibilities assigned by the institute safety committee.

5. Duration

Engagement is purely temporary, on a contract basis for a period of 2 years, with a probation period of four months effective from the date of your reporting for duty, and may be extended for a further period based on satisfactory performance with an increment up to a maximum of 10%.

6. Selection Procedure

Shortlisted candidates will be called for an Interview. However, the Institute reserves the right to conduct a written test, if circumstances arise.
