

## Corrigendum:

Domestic Tender: Open Tender for Supply and Installation of Cleanroom, HVAC & Electrical

Tender Name	Supply and Installation of Cleanroom, HVAC & Electrical
Tender Date	21 <sup>st</sup> April 2025
Reason for cancellation	The cancellation is necessitated as the technical specifications have since been revised, and the original scope of work no longer aligns with the updated requirements. In view of this change, proceeding with the existing tender would not meet the current technical and functional needs of the facility.

**Purchase committee.**
