

Local Tender Notice

Tender Notification Ref No.: MT/ENQ-TNDR/PAIR/BU-AB/25-26/04

The Department of Materials Engineering Indian Institute of Science, Bangalore, invites tenders for supply of “**4 port Glove Box System with metal coater**”.

**Department of Materials Engineering
Indian Institute of Science (IISc), Bangalore, INDIA**

December 09, 2025

TABLE OF CONTENTS

1	Section 1	Bid Schedule	
2	Section 2	Eligibility Criteria	As specified by IISc
3	Section 3	Terms and Conditions	As specified by IISc
4	Section 4	Specifications	Technical specifications
5	Section 5	Technical Bid	Annexure 1: Bidder details
Annexure 2: Declaration regarding experience of bidder			
Annexure 3: Declaration regarding clean track record of the bidder			
Annexure 4: Declaration of acceptance of tender			
Annexure 5: Terms and conditions. Details of item quoted			
6	Section 6	Commercial bid	Quotation with Price, Technical specifications of the Equipment

1. Bid schedule

1.	Tender Number	MT/ENQ-TNDR/PAIR/BU-AB/25-26/04
2.	Tender Date	09/12/2025
3.	Item Description	4 port Glove Box System with metal coater
4.	Tender Type	Two bid system: (a) Technical Bid (Part A) (b) Commercial Bid (Part B)
5.	Place of tender submission	The Chair Department of Materials Engineering, Indian Institute of Science, Bengaluru 560012
6.	Last Date & Time for submission of tender	31 st December 2025, on or before 1700 hrs
7.	For further Clarification	Prof. Aweek Bid Department of Physics Indian Institute of Science Bangalore, Karnataka – 560012, India Contact: 080 2293 3340 /2908 Email: aveek@iisc.ac.in / office.pair@iisc.ac.in

2. Eligibility Criteria

Prequalification criteria:

1. The Bidder should belong to either class 1 or class 2 supplier distinguished by their “local content” as defined by recent edits to GFR. They should mention clearly which class they belong to in the cover letter.
 - a. Class 1 supplier: Goods and services should have local content of equal to or more than 50%.
 - b. Class 2 supplier: Goods and services should have local content of equal to or more than 20 % and less than 50%.)
2. Purchase preference as defined by the recent edits to GFR (within the “margin of purchase preference”) will be given to Class-1 supplier.
3. MSME can seek exemption to some qualification criteria. IISc follows GFR2017 for such details
4. The bidder should sign and submit the declaration for Acceptance of Terms and Conditions as per - Annexure 4.
5. The Bidder must not be blacklisted/banned/suspended or have a record of any service-related dispute with any organization in India or elsewhere. A declaration to this effect has to be given as per Annexure 3.
6. Necessary training to operate the procured setup and required literature support should be provided without additional cost.
7. In principle onsite installation should be free of cost. The amount of time / day committed by the engineer during installation must be clearly stated.
8. Software upgrade, if any, must be free of cost for next 5 years.
9. The vendor must assure that there are no bugs and glitches with the integration. In case of glitches or bugs at the time of installation, vendor must fix the issues in less than three days from the start date.
10. In case of hardware/software issues or support, vendor should be able to provide required solution within three days.
11. All equipment must be well calibrated before and after installation.
12. Additional quote for an annual maintenance contract should be included for the next 5 years.
13. The vendor should have a good track record of delivering such equipment at universities/research institutions (please furnish the details).
14. Please provide list of customers who have procured your equipment in last 5 years.
15. The vendor should be able to repair and maintain the equipment, once it is installed in India. No travel claims must be made by vendor for servicing during the warranty/guarantee period.
16. The system must be delivered at the earliest. The smallest lead time will be appreciated. Our expectation is shipment immediately after PO and full or part payment post installation.
17. On all systems the payment terms will be specified in the commercial proposal and is subject to negotiation.
18. The validity period of the quotation should be 90 days at least.
19. Please provide details of the number of trained personnel in India, who can service the machine.
20. Highlight the system/computer requirement to integrate the setup, if any other than specified in the specifications above.
21. The supplier will provide comprehensive support to the user for the software and instrument for a minimum period of 3 years.
22. Bidder shall have to submit audited accounts (Balance sheet profit and loss account) of last three financial years. Audited statements must be signed and stamped by a qualified chartered accountant.
23. Bidder must submit Income Tax return for last three financial assessment years.
24. Bidder must submit up to date sales tax or GST clearance certificate.

Vendor Eligibility Criteria:

1. **Sales Confirmation:** The vendor company should provide comprehensive details regarding their **4 port Glove Box System with metal coater** in the last 5 years in India for multinational companies/PSUs/government organizations. The vendor should have sold the similar setup to at least 3 entities as depicted above in last 5 years in India. Furthermore, they must substantiate their claims by furnishing relevant supporting documents.
2. Bidders offering imported products will fall under the category of non-local suppliers. They cannot claim themselves as Class-1 local suppliers/Class-2 local suppliers by claiming the services such as transportation, insurance, installation, commissioning, training, and other sales service support like AMC/CMC, etc., as local value addition.

3. Terms and Conditions

A) Submission of Tender:

1. All documentations in the tender should be in English.
 2. Tender should be submitted in two envelopes (two bid system).
- a. **Technical Bid (Part-A)** – Technical bid consisting of all technical details and check list for conformance to technical specifications.
- The technical proposal should contain a technical compliance table with 5 columns.
- i. The first column must list the technical requirements, in the order that they are given in the technical requirement below.
 - ii. The second column should provide specifications of the instrument against the requirement. Please provide quantitative responses wherever possible with technical details in annexure.
 - iii. The third column should describe your compliance with a “Yes” or “No” only. Ensure that the entries in column 2 and column 3 are consistent.
 - iv. The fourth column should state the reasons/explanations/context for deviations, if any.
 - v. The fifth column can contain additional remarks from the OEM. You can use this opportunity to highlight technical features, qualify response of previous columns, or provide additional details.
- b. **Commercial Bid (Part-B)** – Indicating item wise price for the items mentioned in the technical bid, **as per the format of quotation provided in tender**, and other commercial terms and conditions
3. The technical bid and price bid should each be placed in separate sealed covers, superscripting on both the envelopes the tender no. and the due date. Both these sealed covers are to be placed in a bigger cover which should also be sealed and duly superscripted with the Tender No, Tender Description & Due Date.
 4. The SEALED COVER superscripting tender number / due date & should reach Chair, Department of Materials Engineering, Indian Institute of Science, Bangalore – 560012, India on or before due date mentioned in the tender notice. In case due date happens to be holiday the tender will be accepted and opened on the next working day. If the quotation cover is not sealed, it will be rejected.

All queries are to be addressed to the person identified in “Section 1 – Bid Schedule” of the tender notice.

5. The price must be quoted in INR (Indian Rupee). Quote should come only from Indian Original Equipment Manufacturer (OEM) or their Indian authorized distributor. The quotations should be on FOR-IISc Bangalore basis in INR only.
6. The Institute reserves the right to accept or reject any bid and to annul the bidding process and reject all bids at any time prior to the award of contract, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders.
7. Incomplete bids will be summarily rejected

B) Cancellation of Tender:

Notwithstanding anything specified in this tender document, IISc Bangalore, in its sole discretion, unconditionally and without having to assign any reason, reserves the rights:

- a. To accept OR reject lowest tender or any other tender or all the tenders.
- b. To accept any tender in full or in part.
- c. To reject the tender, offer not confirming to the tender terms.

C) Validity of the Offer:

The offer shall be valid at least 90 Days from the date of opening of the commercial bid.

D) Evaluation of Offer:

1. The technical bid (Part A) will be opened first and evaluated.
2. Bidders meeting the required eligibility criteria as stated in Section 2 of this document shall only be considered for Commercial Bid (Part B) opening. Further, agencies not furnishing the documentary evidence as required will not be considered.
3. Pre-qualification of the bidders shall not imply final acceptance of the Commercial Bid. The agency may be rejected at any point during technical evaluation or during commercial evaluation. The decision in regard to acceptance and / or rejection of any offer in part or full shall be the sole discretion of IISc Bangalore, and decision in this regard shall be binding on the bidders.
4. The award of contract will be subject to acceptance of the terms and conditions stated in this tender.
5. Any offer which deviates from the vital conditions (as illustrated below) of the tender is liable to be rejected:
 - a. Non-submission of complete offers.
 - b. Receipt of bids after due date and time and or by email / fax (unless specified otherwise)
 - c. Receipt of bids in open conditions.
6. In case any BIDDER is silent on any clauses mentioned in these tender documents, IISc Bangalore shall consider that the BIDDER had accepted the clauses as of the tender and no further claim will be entertained. Further if the BIDDER is silent or does not give detail justification of their claim regarding those mentioned in technical specifications, IISc Bangalore reserves the full right to reject the tender due to non-compliance without any further discussion.
7. No revision in the terms and conditions quoted in the offer will be entertained after the last date and time fixed for receipt of tenders.
8. Lowest bid will be calculated based on the total price of all items tendered for Basic equipment along with accessories selected for installation, operation, preprocessing and post processing, optional items, recommended spares, warranty.

E) Pre-requisites:

The bidder will provide the prerequisite “**4 port Glove Box System with metal coater**”.

F) Warranty:

The vendor should be able to repair and maintain the equipment, once it is installed in India. No travel claims must be made by vendor for servicing during the warrantee/guarantee period. If the setup is found to be defective, it must be repaired or replaced at the cost of the bidder within 30 days of receiving written notification from IISc, Bangalore. In the event of any delay in the repair or replacement of the setup, the warranty period will be extended by a corresponding amount of time to account for the downtime.

G) Purchase Order:

1. The order will be placed on the bidder whose bid is accepted by IISc based on the terms & conditions mentioned in the tender document.
2. The quantity of the items in tender is only indicative. IISc, Bangalore reserves the right to increase /decrease the quantity of the items depending on the requirement.
3. If the quality of the software and service provided is not found satisfactory, IISc, Bangalore reserves the right to cancel or amend the contract.

H) Delivery, Installation and Training:

The bidder shall provide the lead time to delivery, installation and made functional at **Bangalore University, Jnana Bharathi Campus, Bangalore** from the date of receipt of purchase order. The setup should be delivered, installed and made functional **within 180 days** from the date of receipt of purchase order. The supply of the items will be considered as effected only on satisfactory installation and

inspection of the system and inspection of all the items and features/capabilities tested by the **Bangalore University, Jnana Bharathi Campus, Bangalore**. After successful installation and inspection, the date of taking over of entire system by the **Bangalore University, Jnana Bharathi Campus, Bangalore** shall be taken as the start of the warranty period. No partial shipment is allowed. The bidder should also arrange for technical training to the local facility technologists and users.

I) Payment Terms:

100% payments will be released after completion of delivery and satisfactory installation subject to TDS as per rules. AMC cost (if ordered), after completion of warranty period) will be released on half - yearly basis at the end of each six months subject to satisfactory services. The AMC will be comprehensive. Price basis must be on FOR-IISc Bangalore basis only. As per GFR, no advance payment can be made to domestic vendors unless an equal amount of bank guarantee is provided.

J) Statutory Variation:

Any statutory increase in the taxes and duties subsequent to bidder's offer, if it takes place within the original contractual delivery date, will be borne by IISc Bangalore subject to the claim being supported by documentary evidence. However, if any decrease takes place the advantage will have to be passed onto IISc, Bangalore.

K) Disputes and Jurisdiction:

Any legal disputes arising out of any breach of contract pertaining to this tender shall be settled in the court of competent jurisdiction located within the city of Bangalore, India.

L) General:

1. All amendments, time extension, clarifications etc., within the period of submission of the tender will be communicated electronically. No extension in the bid due date/time shall be considered on account of delay in receipt of any document(s) by mail.
2. The bidder may furnish any additional information, which is necessary to establish capabilities to successfully complete the envisaged work. It is however, advised not to furnish superfluous information.
3. The bidder may visit the installation site before submission of tender, with prior intimation.
4. Any information furnished by the bidder found to be incorrect, either immediately or later, would render the bidder liable to be debarred from tendering/taking up of work in IISc, Bangalore.

4. Technical Specifications

4 port Glove Box System with metal coater

A Stainless Steel Inert Gas four-port glove box with a metal coater and with the following technical specifications required for the supply, installation, and commissioning. All offered equipment must comply fully with these specifications.

Sl. No.	Description	Specifications
1	Glovebox Workstation	Stainless steel glove box should maintain less than 1 ppm of oxygen and moisture.
2.	Box Material	Stainless steel (SS304 or SS316) with brushed surface finish surface Ra 1.2 µm and at least 2.5 mm thick, outside coated white color
3.	Internal Dimensions	should be at least Length 2400 mm, Depth 750 mm, Height 900 mm.
4.	Ports	Four (4) glove ports. The size of each glove port should be at least 9” in dia. The glove ports should be O-ring sealed against the gloves
5.	Glove Port size and material	Outer diameter 220 mm, anodized aluminum
6	Front Window	safety Glass
7.	Gloves	Butyl rubber, with thickness minimum of 0.4 mm.
8.	Dust Filters	Two (2) HEPA filters, 0.3 µm for gas inlet and outlet.
9.	Lighting	should be LED illumination
10.	Leak Rate	Less than 0.05 vol%/h.
11.	Shelves	Minimum six ; height-adjustable shelves
12	Antechamber	Stainless steel cylindrical right-side chamber with bidirectional sliding tray. Dimensions: at least 600 mm × 400 mm. One-hand door mechanism. Brushed finish (inside Ra 1.2 µm, outside white).
13	Mini-Antechamber	The box must have one mini ante-chamber for sample transfer at least 400 x 220mm. Right-side, bidirectional sliding tray. Brushed finish
14	Gas Purification System	5.5 kg Cu catalyst and 6.5 kg molecular sieve column. Removal capacity: minimum of 44 L oxygen & at least 1650 g moisture. Specification sheets or data sheets attesting to this must be provided. he purifier should be fully regenerable with an automatic/programmed control using forming gas (10% H2 or lower) or Ar or N2. Auto purge with time sequence or ppm of O2 and H2O
15	Control Unit	Glove box should be controllable with independent and fully integrated Siemens programmatic logic control (PLC), with a touch panel interface. All glove box functions should be accessible via the touch panel. Graphical display of the box pressure, O2 and moisture levels should be available in the touch panel interface. PLC should trigger an automatic box purge either due to high O2 or moisture or both in the glove box or an automatic

		timer option to trigger box purge at a pre-set time for a pre-set duration
16	Blower	Frequency-controlled blower, capacity 90 m ³ /hour or better.
17	Automatic Pressure Control Range	Box pressure should be controllable automatically (via programmatic logic) within a pressure range of -15 to +15 mbar.
18.	Vacuum Pump	Pfeiffer/Edwards RV-12 double stage rotary vane pump with oil-mist filter.
19.	Sensor Set	A solid-state/Electrochemical oxygen sensor capable of measuring oxygen levels from 0.1 ppm to 1000 ppm should be provided with box. A solid-state moisture sensor capable of measuring moisture levels from 0.1ppm to 3000 ppm should be provided with box.
20.	Purge Control	Should be fully automatic
21.	Regeneration	Automatic through programme
22.	Solvent Trap	solvent trap should be at least with 6 kg activated charcoal. Cartridge exchange without stopping purifier circulation
23.	Feedthroughs	Four (4) DN 40 KF flanges
24.	Glove Port Cover	One (1) glove replacement cover.
25.	Heat Exchanger	Integrated heat-exchanger system along with chiller should be supplied irrespective of technology.
26.	Smart Energy Mode	Automatic vacuum pump shutdown, positive pressure control without pump, automatic light shutoff, reduced energy and noise.
27.	Gas Cylinders & Regulators	Gas cylinders and regulators should be supplied with glove box. Initial requirement of nitrogen gas and regeneration gas for installation should be under the scope of vendor
28	Feed troughs with glove box	1. BNC – 1no 2. Banana connectors – 1no 3. gas/vacuum two pipes– 1no 4. Electrical 5. One blank port
29.	Magnetic stirrer with hot plate:	Hot plate temperature up 300°C with accuracy ±1.0°C, 800 W, digital display- temp and speed, top plate with Ceramic coating with a fire resistant aluminum die-cast housing
30.	Metal Coater (2 sources)	Thermal evaporator chamber (300mm x 300mm x 400mm SS304 or SS316) Substrate shutter and source shutter (manual shutters), these can be upgraded for electro pneumatically operated. Provision for substrate heater. Substrate rotation with holder with RPM 0-20RPM for uniform deposition. No of thermal sources 2- Thermal Source metal evaporator source. Provision for 1 more additional sources- can used for redox source or metal source. Power source: 300 Feasible for materials for deposition: Al, Cr, Au, Ag using appropriate coil or boats 300LPM turbomolecular pump- Pfeiffer make; 250LPM rotary pump - Pirani and penning gauges

		Thickness monitor (6MHz oscillator)- resolution of 1A, tooling factor 0.25 - 8.0, water cooled, film density of 0.8- 99gm/cm2
31.	Extra to be supplied	2 pair of Gloves, molecular sieves- 6kg, copper catalyst- 5kg and activated carbon- 6kg
32.	Warranty	2 years' warranty

Additional requirement:

- Certifications: CE, RoHS-compliant
- Service Support: The vendor should have a service Center/facility and complete infrastructure within India to handle complete repair of the system. Critical spares should be available off the shelf.
- The vendor should provide the necessary connections to install a spin coater inside the glove box.

5. Technical Bid

The technical bid should furnish all requirements of the tender along with all annexures in this section and submitted to

The Chair,
Department of Materials Engineering
Indian Institute of Science, Bangalore – 560012

Annexure-1

The bidder must provide the following mandatory information & attach supporting documents wherever mentioned:

Details of the Bidder

Sl. No	Items	Details
1.	Name of the Bidder	
2.	Nature of Bidder (Attach attested copy of Certificate of Incorporation/ Partnership Deed)	
3.	Registration No/ Trade License, (attach attested copy)	
4.	Registered Office Address	
5.	Address for communication	
6.	Contact person- Name and Designation	
7.	Telephone No	
8.	Email ID	
9.	Website	
10.	PAN No. (attach copy)	
11.	GST No. (attach copy)

Annexure - 5

Details of items quoted:

a. Company Name	
b. Product Name	
c. Part / Catalogue number	
d. Product description / main features	
e. Detailed technical specifications	
f. Remarks	

Instructions to bidders:

1. Bidder should provide technical specifications of the quoted product/s in detail.
2. Bidder should attach product brochures along with technical bid.
3. Bidders should clearly indicate compliance or non-compliance of the technical specifications provided in the tender document.

6. Commercial bid

The commercial bid should be furnished with all requirements of the tender with supporting documents as mentioned under:

S.No	Description	Cat. Number	Quantity	Unit Price	Sub total
1.	Essential items noted in the technical specification				
1.a	... (details of essential items)				
1.b	...				
2.	Optional items noted in the technical specification				
2.a	... (details of Optional items)				
2.b	...				
3.	Accessories for operation and installation				
4.	All Consumables, spares and software to be supplied locally				
5.	Warranty (1 year)				
6.	AMC 2 years beyond warranty				

Any additional items

S.No	Description	Cat. Number	Quantity	Unit Price	Sub total

Addressed to

The Chair,
Department of Materials Engineering
Indian Institute of Science, Bangalore – 560012

7. Checklist

(This should be enclosed with technical bid- Part A)

The following items must be checked before the Bid is submitted:

1. Sealed Envelope “A”: Technical Bid
 1. Section 5- Technical Bid (each page signed by the authorized signatory and sealed) with the below annexures:
 - a. Annexure 1 : Bidders details
 - b. Annexure 2: Declaration regarding experience
 - c. Annexure 3: Declaration regarding clean track record
 - d. Annexure 4: Declaration for acceptance of terms and conditions
 - e. Annexure 5: Details of items quoted
 2. Copy of this tender document duly signed by the authorized signatory on every page and sealed.

2. Sealed Envelope “B”: Commercial Bid

Section 6: Commercial Bid

Your quotation must be submitted in two envelopes: Technical Bid (Envelope A) and Commercial Bid (Envelope B) super scribing on both the envelopes with Tender No. and due date and both of these in sealed covers and put in a bigger cover which should also be sealed and duly super scribed with Tender No., Tender description & Due Date.
