**ERP norms for Joint Research Supervisor or Coordinator from Organization:**

The Supervisor from the sponsoring Organization (who must be a permanent staff member) must satisfy the following requirements of the Institute and be willing to supervise the research work of the candidate. The Joint Research Supervisor from the organization should be a Ph D holder and at least 3 years of Post-Doctorate experience.

- The Joint Research Supervisor and the applicant should be from the same organization or its parent organization, irrespective of their physical location.
- For admission of candidates to the Ph D Program, the Joint Research Supervisor or Coordinator from the organization should have a Ph D qualification.
- It may be ensured that the Joint Research Supervisor or Coordinator from the Organization has enough service in the Organization and that he/she will not attain superannuation within 5 years.

Declaration: I have personally known the applicant and his / her work and have discussed the research proposal. I agree to supervise the research work of the candidate on the program outlined if he / she is enrolled for an Institute conferment.

Date : \_\_\_\_\_ Signature of the Joint Research Supervisor from the Organization with seal

**Research Supervisor from the Institute**

NOTE: The candidate should identify a supervisor from the department concerned before of submitting the application itself.

**Research Supervisor from the Indian Institute of Science**
